

[youtube:http://www.youtube.com/watch?v=gE2aikTtdD8 w] The 80:20 rule -- secret of all great leaders is focus on what really matters. Focus on your most important people. Cut every hour of low-value, low-impact activity. Connect with passion -- invest in your best people, core leadership team. How to achieve more with less. How to increase profitability, grow sales and productivity. Show how teams make a difference, save lives, improve the environment. Win war for talent. Believe in your teams. Human resources, recruitment, team management, development and staff training. Presentation for Welsh Parliament, public sector worker, voluntary sector, charities, nurses, doctors, health care workers, council workers. Video of keynote conference presentation by Futurist Patrick Dixon, trends analyst and business thinker, author.
