Future of democracy, politics, political parties and lobbying in a world which no longer trusts politicians and cannot be bothered (often) to vote. Crisis of confidence in Westminster, UK mother of all democratic Parliaments, also in America, Greece, Portugal, Spain, France, Italy, Ukraine and other nations. Expenses scandal and challenges also in European Commission. Bribery and corruption in political life. Future of politics and political parties. Comment by Dr Patrick Dixon author of The Truth about Westminster, and conference keynote speaker.
